

A large waterfall cascades down a concrete structure. In the center, a circular logo with a yellow-to-orange gradient background features a cartoon man in a red and blue inflatable ring, wearing sunglasses and pointing. The word "Splashdown" is written in large, red, bubbly letters across the top of the logo.

Submit a date request

Submit a request by emailing splashdown@fondulacpark.com or call (309) 699-3923. Four weeks advanced notice by phone or email is required for this event. There are a limited amount of days available so set your date soon. An agreement form will be sent out asking for pertinent information regarding your organization so once the fundraiser is over the donation check can be processed.

Promote your event

We supply some of the tools to make your event a success. You will be emailed a promotional flyer in PDF format and use it to eblast the event. You will also be mailed several flyers and reminder cards that can be handed out.

Host your event

The more people you invite and show up the more fundraising money you make. The number of people does include anyone that pays admission from 4:00-7:00pm.

Enjoy your time at Splashdown. Have fun knowing that **20%** of your organization's participating families and community admission into Splashdown Water Park will be donated back to your organization.

Profit from your event

A donation check will be sent to the organization within 10 business days.

Example: 130 children + 90 adults = \$1,280.00 admission costs

Organization profits: 20% of \$1,280.00 = \$256.00

Important information:

There is no cost to your organization to host this fundraiser.

If Splashdown is closed for general public swimming the day of your fundraiser due to inclement weather, Splashdown will not reopen for the fundraising event. Splashdown will call the contact person for the group immediately upon closing if prior to your event time. You do have the option of choosing another available date.

If Splashdown closes due to inclement weather during your event, Splashdown will issue return tickets to those participating (if less than 2 1/2 hours from time of admission) and the proceeds will still be sent to your organization.

If your organization decides not to participate on selected date we ask that you notify us immediately so another group can use this date.
