The Farm Park becomes delightfully haunted at this time of year. Come follow the luminary "Witches Walk", while experiencing the spooky sights and sounds of the season. "Not so scary, just the right amount of fright for the little ones". The farm buildings are decorated for Halloween and the ponds are aglow. A storyteller has taken up residence in the school and somewhere along the walk you will cross paths with a genie. The general store will be open for business and the witches will have a treat for everyone. Don't miss the magic of "Witches Walk"
