

A close-up photograph of a white golf ball on a yellow tee, set against a blurred green background. The golf ball is the central focus, with its dimpled texture clearly visible. A black silhouette of a quail is perched on the right side of the ball. The text 'Quail meadows' is overlaid on the ball, with 'Quail' in a large, elegant serif font and 'meadows' in a smaller, simpler serif font below it.

Golf Outing Guide
2016

GOLF OUTING OVERVIEW

Planning a golf outing doesn't have to be time consuming or stressful and you don't have to be an experienced golfer to organize a great event. With over 40 years combined experience in the golf industry, the staff at Quail Meadows is more than qualified to assist with every aspect of your golf outing. Please take a moment to review a few key elements of a typical day at the course.

Step 1: Decide on a Date

When choosing a date, consider who you are hoping to attract to your event. Whether it is the weekend warrior or the business person hoping to spend an afternoon on the links, Quail Meadows can accommodate 7 days a week. Try to have at least 3 dates in mind in case your first choice is already booked. The most popular start time is in the afternoon-after lunch. This allows plenty of time for your golfers to get things accomplished before heading to the course. If you have a group of "early birds" a morning start can be scheduled. Please keep in mind the prime season does book quicker than off-season months.

Step 2: Book Your Event

Once you have determined a few potential dates, call Quail Meadows to book your event. A contract with Quail Meadows must be signed with a \$200 deposit to secure your date.

Step 3: Meet the Staff

Three months prior to your event, schedule a meeting with the Quail Meadows event coordinator. During the initial meeting, areas discussed will include but are not limited to: golf format, food and beverage options and event schedule.

Step 4: Contests, Prizes and Sponsors

Whether you are hosting a major fundraiser or gathering a group for fun, contests and prizes are a great addition to any golf outing. Let our professional team help you choose the right contests and assign them to the perfect location on the course. If you are interested in unique, golf-related prizes, look no further than the Quail Meadows pro shop. If we don't carry what you are looking for, we can place a special order with any number of vendors. Sponsors are a great way to help offset your overall costs. Consider finding individuals or businesses interested in advertising as hole sponsors, beverage cart sponsors and/or hole-in-one sponsors. There are many creative sponsorship opportunities available.

Step 5: Golf!

- Reconfirm timing of meal service following the event
- In case of inclement weather, review rain options and start time

Choosing a Date and Time

A primary factor for determining the playing format for your outing is the number of players you expect will participate. Once this is determined you can choose the type of event that makes the most sense for the size of your group.

You may choose to do a shotgun start or simply use tee times. A shotgun outing is appropriate for larger groups, as it allows all golfers to begin and end at the same time.

The following table provides useful information for picking a date, time and type of golf outing:

Type of Outing	Course	Day of the Week	Time of the Day
Shot-gun	Full Course	Mon-Thurs	8am or 1pm based on availability
Shot-gun	Full Course	Fri-Sun	1pm
Shot-gun	9-Hole Event	Fri-Sun	3:30pm off season/5pm prime season
Shot-gun	Modified	7 days a week	Subject to approval
Tee-time	---	7 days a week	Any

You must have at least 40 golfers for a shot-gun start and 100 players to close the golf course. Outings that don't reach the minimums have the option to pay for the additional golfers in order to get the shot-gun start and/or close the course.

No exceptions without approval from Director of Golf.

Outing Formats & Contests

Scramble

This is the most popular golf tournament format because it allows golfers with varying handicaps to compete together. Each player in the foursome will tee off, the best shot is selected and all players will move their ball to this location and play their 2nd shot from that position. This format is followed until the ball is holed out. The team score is marked on the scorecard for each hole.

Modified Scramble

This is a good format to use for golfers who want to play their own ball, while helping with your pace of play. It is similar to a regular scramble, but with this format each player will hit a tee shot, then select the best one and play out the hole from that position individually. The best of the four scores is kept or you can modify that to two best scores. This will allow your groups to play as a team, but allow them to play their own ball as well.

Best Ball

Each golfer plays their individual ball for the hole and the best score for the foursome is recorded. This can be modified to a two best ball where two scores are recorded and can be used with or without handicaps. This is a popular format to be used amongst group outings.

Popular Hole-Contest Options:

Putting	Closest to pin
Chipping	Longest Putt
Longest Drive	Shortest Drive

Quail Meadows will provide contest sheets and stakes for any requested contests.
