

Coaching Pre-K & Kindergarten

Ball Size:3 Players:5 vs 5 NO goalie Time: 4 Periods-8 min each

The emphasis of the game will be on the number of touches for each child. Please do not have Defenders acting as goalies, we would like a large number of goals scored. Each session may consist of a few minutes of warm-up followed by a game with coaches allowed on the field.

General Rules:

- o Get an Assistant Coach. It is extremely hard to control 10-12 players by yourself.
- o All players must wear shin guards that are covered.
- o **All players will receive equal playing time.**
- o Players cannot wear any jewelry – this includes rings, earrings, necklaces, or any pierced jewelry. If a player has newly pierced ears, band-aids or other protective covering must be worn. This is for the safety of the player.
- o Blatant attempts to hurt another player will result in removal from the current and one additional game.
- o Under no circumstances should a coach, player, or parent or any one in attendance be allowed to question a referee in a disrespectful manner. It is the responsibility of the coach to enforce this rule. Failure to adhere to this rule can result in removal of person from the game. If a coach has an issue with a referee they should contact a member of the soccer board.
- o Soccer Cleats are recommended but not required. If a player does not own any, they may wear tennis shoes instead. Cleats that are used in softball, baseball, football, etc. are NOT permitted for use during soccer practices or games.

Practices:

We recommend you have at least one practice a week on a day that there are no games and that works for at least one of the coaches to be there. Have players bring a soccer ball. Focus on giving players opportunities to practice with a soccer ball.

Skills recommended to focus on during practices:

- Dribbling and running with the ball
- Passing
- Shooting
- Receiving the ball
- Teamwork
- (Practice Drills Linked on page 2)

Absolutely NO practicing at the Eastside Soccer Fields. Places to hold practices:

Armstrong School, Neumann Park (by the Farm Park), Lincoln School, or any open area you can find.

Pregame

Arrive at least 10 minutes before game time and have the rest of your team do the same.

Warmups:

Have the team run around the field once or twice to get the kids warmed up and with any remaining time let them practice shooting at the goal before the game begins.
