The team pictures this year will be a composite team picture. Each player is photographed individually, and the group is digitally composed. Team pictures will look similar to this sample. . We have various background styles. This method allows us flexibility if kids are quarantined due to covid-19 and also helps follow distancing guidelines.

****COACHES ONLY!** We offer the coach a free 5x7 picture with their child or 5x7 group picture. Please line up next to your child. We'll add your coach/child picture to your preorder.
