MEDICAL INFORMATION AND MEDICINE:

Any medication that must be given out at camp by our staff must be in the appropriate prescription bottle with a doctor's note.

FUN FRIDAYS:

Fridays are designed for Special Events or Field Trips. You may send money for souvenirs/snacks on some occasions. Please send money in a plastic zip-loc style bag with your child's name on it. Please make sure your child is at the Administration Building by 9am. THESE TRIPS ARE SUBJECT TO CHANGE & MAY BE DURING THE WEEK AS WELL.

CLOTHING:

Older, comfortable, but appropriate clothes are best for summer camp. There are times your child will get dirty and/or sweaty. Jackets for inside are always nice to have! Please put a swimsuit, an extra change of clothes, and a towel in their backpack everyday as we want to do more water activities with the children. Sandals and/or flip-flops are only allowed on pool days, but you may put a pair in their backpacks for water days. Closed toed shoes must be worn all other days to camp.

TOYS:

Please be aware that any toy/game brought from home is the child's responsibility throughout the day. The Park District is not held responsible for items that are lost or broken. If your child does bring something from home, please label that item with your child's name. Electronic games and/or phones are NOT ALLOWED. No toy weapons of any kind are allowed.

WHAT TO BRING EVERYDAY:

Please make sure your child has a backpack, lunch, and water bottle with them everyday! In their backpack, please make sure there is an extra change of clothes, swimsuit, towel, and a jacket just in case.

DISCIPLINE:

Children are expected to have cooperation skills, self-control, and respect for others. Unacceptable behavior such as bullying, bad language, fighting, and talking back to counselors will be dealt with immediately. Depending on the situation, campers may lose certain privileges such as Friday Field trips, attending Pool Days, or the child could be suspended for a period of time. The camp director will inform parents if any disciplinary action was taken either immediately or at the end of the day depending on the severity.

In situations of behavior that the Park District considers extreme, campers may be suspended and/or dismissed from camp immediately without prior written or verbal warnings. **Dismissal from summer camp also includes dismissal from our latchkey program for one year.** No refunds are issued in these cases for future days or weeks paid.

FAMILY-CUSTODY SITUATIONS:

The parent that registers their child for summer camp is responsible for payment. That parent is also responsible to add/cancel any persons on the "Participant Information Form" when situations arise. If there are custody papers that pertain to your child while attending our camp, we request a copy of those papers. If we have any issues, we will contact our Fon du Lac Police for assistance.

COVID PROTOCOLS:

The Park District adheres to the School District's guidelines for both students and employees on your child's health to participate. We do ask if your child is not feeling well to please keep them home. If your child does test positive for COVID-19 we ask that your child stays home for at least 5 days per CDC. We will continue to stay up to date on protocols. <https://www.cdc.gov/coronavirus/2019-ncov/your-health/isolation.html>
